Subject(s)**BEM 245 FAP Student Status - Perkins Program**

Aligned the following bullets:

- An employment and training program for low-income households operated by state and local government where one or more of the components of such program is at least equivalent to an acceptable FAP employment and training program component. This includes a program under the Strengthening Career and Technical Education Act (Perkins V), administered by one of the 32 participating colleges that will lead to employment.
- Another state or local government employment and training program.

Reason: FNS required correction to the Food Assistance Program (FAP) only student status.
